

## **Production Lead**

**Location:** Pasadena

**Reports To:** Worship Pastor

**Payroll Status:** Part-Time (10-15 hours/week)

Vintage Church relies on this role to oversee all of the technical elements of our Sunday morning services, which includes in-person audio, live-streaming audio, camera switching, and video, slide, and lyric projection.

The successful candidate is not expected to run all these elements themselves, rather they will primarily run audio while overseeing volunteers in the other areas.

## **Responsibilities**

- Oversee tech setup on Sunday mornings, including sound, band, cameras and live stream.
- Run a high-quality sound mix for both in-person and online audiences.
- Be the point person for all things tech related.
- Oversee the packing down of all equipment and gear after the Sunday service.

## **Requirements**

- Availability to work on Sundays.
- Have an active and vibrant relationship with Jesus.
- High proficiency in both live and online sound mixing.
- Good temperament and ability to work with and lead a team.

## **Nice-to-Haves**

- Availability to work one half or full day during the week including attending at least one service planning meeting.
- Proficiency and experience with filming a live-event.
- Proficiency working with ProPresenter and OBS.
- Be a forward thinker with ideas on how we can continue to improve and grow in the areas of tech and production.
